Project

Do you want to be part of the development and start-up of one of Canada's premier mining operations? We are looking for dynamic individuals to join our team and live in our community as we pursue this exciting project. The Rainy River Project, located 65 km northwest of Fort Frances, ON, contemplates a combined open pit and underground mine, processing 21,000 tonnes per day.

Department

Maintenance

Tasks

The role of Mobile Maintenance Welder is to perform proactive and corrective maintenance duties for the Mining Maintenance Department, performing various types of welding processes using gas and electric welding equipment and line boring when required on all mining fleet equipment.

Carry out various types of welding tasks:

- Maintain and repair structures and equipment in all areas of the site to ensure that the mine operates efficiently and that objectives are achieved.
- Comply with all Safety, Health, Environmental and other policies, procedures and requirements
- From instructions, prints and work orders, organize details of procedures, required materials and tools for the job.
- Fabricate and repair structures and equipment by welding various materials and using welding techniques and applicable welding equipment.
- Maintain and make minor repairs to welding equipment.
- Ensure work area is maintained in a clean and organized manner.
- Align Boring when required for Mining Fleet
- Maximize equipment availability through efficient and proactive preventative maintenance programs.
- Perform preventative maintenance such as inspections, lubricating, oil changes and failure analysis.
- Maintain a safe and clean work environment.
- Ensure work order discipline requirements within SAP.

Requirements

- Must be willing to relocate to the Rainy River District in Northwestern Ontario

Education:

- Grade 12 diploma/GED
- Valid Drivers' License
- Interprovincial, red seal, Welder certification

Experience:

- Minimum 2 years of welding experience
- Line boring experience

Other:

- Strong interpersonal skills
- Good oral and written communication skills
- Ability to work with minimal supervision
- Ability to work in a team environment or independently

Contract Type
