

Current Employment Opportunities

Monday, January 28, 2019

New Gold is an intermediate gold mining company. The company has a portfolio of four producing assets and three significant development projects. The New Afton Mine in Canada, the Cerro San Pedro Mine in Mexico, the Mesquite Mine in the United States and the Peak Mines in Australia provide the company with its production base and solid foundation. In addition, New Gold owns 100% of the Blackwater project and 100% of the Rainy River mine (both in Canada), as well as a 4% gold stream on the El Morro project located in Chile.

Our Values drive every decision and action we take at New Gold:

- Integrity:** Do what's right
- Creativity:** Lead with innovation
- Commitment:** Deliver
- Develop our Employees:** Commitment to personal development
- Teamwork:** Leverage our collective skills
