

CAREER OPPORTUNITY

OTR TIRE TECHNICIAN

The Kal Tire Mining Tire Group has been servicing mine sites since 1972 where we quickly established a reputation for reliability, innovation and outstanding service. Our objective remains simple: to deliver services and products of measurable value to our customers. Kal Tire now operates in 15 countries and continues to grow every day. With our team developing, we are seeking an individual who is keen to progress in their career, passionate about leading people and delivering quality service.

The opening is located in the Rainy River area where we are currently seeking OTR Tire Technicians to join our growing team. From its idyllic setting on the banks of its namesake waterway, the Town of Rainy River is the Gateway to Northwestern Ontario and southward, to neighbouring Baudette, Minnesota. A centre for bustling trade, comfortable amenities and relaxing past times, Rainy River is within easy access of the United States across a toll-free international bridge; 22 km (14 miles) from the magnificent Lake of the Woods and a direct drive from Winnipeg, Manitoba. This is a fulltime position.

As a Tire Technician in the Mining Tire Group you will be responsible for all aspects of tire and related service and repair for mining tires and adhering to Kal Tire's work and safety standards. A key part of this role is setting the standard for service excellence within the industry and demonstrating the Kal Tire AIMS.

CORE RESPONSIBILITIES

- Health and Safety is paramount in everything we do, actively participate in Kal Tire's Journey to Zero
- Deliver your best customer service experience every time to every customer
- Perform all operational and technical skills regarding tires replacement, repair, and management of OTR tires
- General maintenance of vehicles, tooling and equipment used to perform your work

EDUCATION AND WORK EXPERIENCE

- High School diploma required
- 2+ years direct experience as a tire fitter preferred
- Positive Attitude, great work ethic, mechanical aptitude and Safety consciousness
- Experience operating and maintaining tire manipulators, forklifts, and service trucks
- Experience working where safety procedures are a key part of daily operations
- Valid driver's license and ability to comply with relevant insurance policies

Kal Tire offers a culture that fosters inclusion and respect. We are committed to providing accessible employment practices, in compliance with the AODA. Requests for accommodation can be made at any stage of the recruitment process, applicants are asked to make their needs/requirements known.
