

# TRUE BLUE

*staying safe is who we are.*

Join our Ledcor Careers community: [in](#) [@](#) [t](#) [f](#)

Ledcor builds and maintains infrastructure in various industries including oil and gas, transportation, and mining. We're experts in public and private infrastructure construction and maintenance. Our vast projects include: full-scale contract mining, earthworks, foundations, national highways, bridges, roads, waterways, dams, airports, underground utilities, independent power projects and site reclamation.
