

# MANITOU FLU & COVID-19 VACCINE CLINIC

October 25th, 2022

2:00pm-5:00pm

**The Flu Shot and the COVID-19 vaccine are not the same thing!**

Only the Flu Shot protects against the Flu and only the COVID-19 vaccine protects against COVID-19.

If you are 5 years of age and older you can get your Flu shot at the same time as your COVID-19 vaccine.

## Who Should Get the Vaccines?

- Anyone 6 months of age and older
- Children
- Seniors 65+
- Pregnant women
- Those who are immunocompromised

## Side Effects

- Soreness, redness, or swelling at the injection site
- Mild fever, headache, muscle aches, fatigue, chills, joint pain

Please schedule an appointment with Juanita

807-482-2479 ext 232 or 807-271-6481

807-274-2042

Monday- Friday from 8am-4pm
