Councillors are to be remunerated as follows, in recognition for their time spent fulfilling Council responsibilities:

- **Monthly honorarium: Council are given a \$1000 honorarium** for attendance at three regular meetings – specifically, the Monthly Community Meeting and two Business Meetings:
 - Monthly Community Meeting: \$300
 - Business Meeting: \$350 per meeting.
- **Cellphone Allowance:** Council are issued \$100 monthly as compensation for the use of their cellphones.
- **Honorarium Rates:** For any meetings over and above the Monthly Community Meeting and the two Business meetings in that month, the honorarium schedule is as follows:
 - Full Day: \$300
 - Half Day: \$150
- **Full Day:** This is defined as a whole day of meetings or services. If it is in the middle of the workday and an eligible individual is unable to attend work due to the timing of the meeting or service, then they will receive the full day rate.
- **Half Day:** This is defined as either morning, afternoon or evening where services are rendered or meetings attended.
- **Note:** For accounting purposes, if meetings or services are staggered in one day for different reasons i.e. attending one meeting in the morning and an unrelated meeting in the evening, it will be claimed as two half days (instead of a full day) to distinguish which budget each honorarium amount is coming from.
