## Nominations Procedure: Canada Post Strike

---

### **Boozhoo Members,**

Due to the exceptional circumstances of the Canada Post Strike which began on the evening of Thursday September 25, 2025, Chief and Council have directed the following, through a quorum vote, to uphold the integrity of the Rainy River First Nations 2025 General Election Nomination Procedure:

1. For the Electoral Officer to contact the Members from which Nominations have been received via mail to ensure to them that they were delivered.
2. To put out a notice to all Members on all platforms- One Feather, Facebook, the Rainy River First Nations Website, and the Rainy River First Nations App- to contact the Electoral Officer if you mailed in a Nomination and receipt was not confirmed. These Members will then be permitted to resubmit their Nomination/s via email to the Electoral Officer.
3. A paper notice with the same intent as (2) will be delivered to the Community of Rainy River First Nations.
